From the Principal's Desk....
There has been a lot happening at the school in the last two weeks. I would like to welcome Jeannie to the staff as our new cleaner to assist Lisa with the cleaning. I would also like to announce that Rosemary Woodley & Loreen Samson will be starting next week to run our new art program. Also the Cultural Program will commence next week with Lorraine Coppin and Wendy Hubert coming on Friday. All community members are welcome to attend this program. We had another successful assembly last week with the winner of the Logo competition announced and the Primary students issued with uniforms. I would now like to ask that parents buy another set to ensure that students have a uniform to wear each day.

School Uniforms

At our last assembly, we provided each enrolled primary student with one free uniform set. We are now asking that parents purchase a second set to allow students to wear school uniform every day. The cost for each set is \$30.00 for Primary Students and \$35.00 for Senior Students. All the kids wore their uniform the next day and they looked great!

SCHOOL UNIFORMS

School Closure Monday 7th November to Wednesday 9th November

Next week Phil and Helen will be attending a conference in Perth which means that the school will have to be closed Monday to Wednesday. We will be open again on Thursday and will also be open on Friday for our first Cultural Program Day.

Drive Safe Books

We now have 6 copies of the DRIVE SAFE book for getting your drivers licence in the library. Please feel free to borrow them and come into the school to sit the drivers licence quiz to practice for your Drivers Licence Test.

Community Health Issues

The next visit by the Doctor will be on this coming Wednesday 9th November. The service is being well used by people, which is the best way to make sure that we keep them coming to visit. They should arrive between 11am and midday. The clinic will be held at the community centre as the school will be closed on Wednesday.

Adult Polo Shirts

The adult polo shirts are available for purchase. The cost is \$20. Please make your payment to Helen any day after school.

Cultural Day Next Friday

Next Friday the 11th November, we will be holding our first 'Cultural Day'.

The Program will be presented by Lorraine Coppin & Wendy Hubert from Juluwarlu Language Centre.

All Community members are invited to participate in this day and the school will provide a sausage sizzle for lunch. The Program will run from 9.00am—2.30pm with lunch at 12.00 noon

School Logo Competition Congratulations Rosemary!

Congratulations to Rosemary Woodley for winning the School Logo Competition. The logo will soon be added to our school uniforms. We are looking forward to seeing our new logo proudly displayed on our uniforms, school sign and stationary!

Primary News

CLASS THEME

This term the Kindy and Primary students are learning about animals. The older students are currently applying their work to a PowerPoint presentation on the computer. We have already shared some of this work at the last assembly.

Library

LIBRARY BORROWING

Thank you to all the people who are returning their library loans on time. There are a number of people enjoying the opportunity to access our library resources. In response to a number of requests for cookbooks, we now have a number of these resources available in the library thanks to donations made by Marilyn King.

Library Corner

It is wonderful to see some Community members borrowing books. Thanks to all who let me know your interests.

I am busily ordering books and hope to be able to fill everyone's wishes.

Anyone who has not had a chance to tell me what they would like to see in the library, please come and have a chat.
